7:00 p.m.
Redwood Room
Central Park Library
2635 Homestead Road
Santa Clara, CA**

Adult Services invites you to join NASA/Solar System Ambassador **Eric Norris**, when he returns to give another popular multi-media presentation on NASA space missions. Find out about the Mars Phoenix Mission as the spacecraft heads into the dark, cold Martian winter. Learn about Messenger's second flyby of Mercury, as well as other NASA mission updates.

Sign up early to reserve a spot at this free space missions program (6th graders and up are welcome)—stop by the Reference Desk, or call (408) 615-2900.
